## SAKAI Appoints Power Motive Corporation in Colorado and Southeast Wyoming

Adairsville, GA - SAKAI is pleased to announce the appointment of the Power Motive Corporation as an authorized dealer in the states of Colorado and Wyoming.

SAKAI offers a full line of high-quality, high-productivity vibratory soil compactors, nine 4000VPM vibratory asphalt rollers designed for Superpave and other perpetual pavements as well as combination vibratory/pneumatic rollers and balanced three wheelers. Innovators in compaction equipment for over 80 years, Sakai also offers the world's first vibratory pneumatic tire roller for today's contemporary mix designs.

The Power Motive Corporation sales staff has been fully trained in the application, sales, parts and service of SAKAI products and offers prompt and professional parts and service support. The company supports Sakai in both Wyoming and Colorado from their five branches in Denver, Colorado Springs, Grand Junction, Milliken and Durango.
