SAKAI AMERICA Appoints Van's Equipment In Colorado

SAKAI America of Adairsville, GA is pleased to announce the appointment of Van's Equipment, as an authorized dealer in the state of Colorado.

SAKAI offers a full line of high-quality, high-productivity vibratory soil and asphalt compactors, static rollers, soil stabilizers and seven new 4000VPM rollers designed for Superpave and perpetual pavements. Innovators in compaction equipment for over 80 years, Sakai is also the first to offer a track driven soil compactor for steep slope applications as well as the world's first vibratory pneumatic tire roller for today's contemporary mix designs.

The Van's Equipment staff has been fully trained in the application, sales and service of SAKAI products and offers prompt and professional parts and service support. This application, parts and service support is offered from their Dacono, CO location.

Van's Equipment Territory in Colorado.

For more information or a demonstration of SAKAI products, please contact Van's Equipment today at 303-828-9600.
